

About Kekst CNC

Kekst CNC is a global strategic communications firm that specializes in protecting and enhancing reputations. From 12 offices around the globe, our team of 300 professionals provides expert communications counsel, informed by judgment, insights and data-led analysis. We apply our communications expertise across high-stakes corporate, financial, and political matters, helping businesses communicate effectively through periods of disruption, transformation and growth. Kekst CNC is part of the Publicis Groupe. For more information, visit www.kekstcnc.com

To support our Team in **Frankfurt, Berlin or Munich** for **3-6 months** we are hiring a full-time **Intern Strategic Communications Consulting (m/f/d)**

About the Role:

If you are looking for the chance to gain experience in PR and strategic communications, while contributing to an ambitious organisation, then this opportunity is for you.

We are looking for multiple proactive, curious and motivated Interns to join our offices. The internship will give you an opportunity to gain exposure to a range of well-known companies and industries, as well as hands-on experience across a number of disciplines – for example: corporate, financial, digital communications and Public Affairs. The work varies from media monitoring, new business research projects, drafting content for social media and press releases, tracking parliamentary debates and select committee hearings.

Main Responsibilities:

- Participation in the development and implementation of communication strategies and communication concepts
- Preparing the content of client meetings at board and communications level
- Research and analysis
- Developing detailed briefing and presentations materials for clients e.g. media engagements and meetings with key stakeholders
- Support in the area of media monitoring
- Data maintenance (researching contacts, creating databases, updating/maintaining existing data)
- Supporting with account administration and attending team meetings
- General project support

Requirements:

- Studies in political science, finance, economics or communication sciences, possibly other
- studies with economic relevance - at least 2-3 semesters already successfully completed
- Great interest in current political and economic events as well as the media
- Ability to work both independently and as part of high-performing teams
- Strong interpersonal skills

- Excellent attention to detail and the ability to deliver high-quality work to tight deadlines
- A proactive attitude and an ability to manage multiple tasks at a time
- Excellent German language skills, both written and spoken (mandatory)
- Very good knowledge of English, both written and spoken
- The role is conditional on you having, or obtaining, the right to work in the EU

What we offer:

Kekst CNC offers an inspiring working atmosphere, characterized by the highest level of professionalism, fun at work and an open corporate culture. Our offices in Germany are on an exciting growth journey and as the business grows, you can grow with it. You will interact with colleagues all over the globe, while based in one of our German office locations (combined with working from home if desired). In addition to exciting development opportunities, we offer competitive working conditions and benefits, a bonus scheme, as well as varied learning and development programs.

We look forward to receiving your application including your resume and cover letter [via our website.](#)

Kekst CNC is an Equal Opportunity Employer. All qualified applicants will receive considerations for employment without regard to race, colour, age, religion / belief, sex, sexual orientation, gender identity / expression, national origin, disability, marriage and civil partnership status, pregnancy and parental status, or any other characteristic protected under EU, state or local law, where applicable.
